DESIGNED TO ACCOMMODATE.

RETREAT IN STYLISH ENVIRONMENTS infused with luxury. Our all-suite hotel combines open floor plans, contemporary interior spaces including kitchenettes and the latest technology, all in a sophisticated atmosphere. Modern amenities ensure all the comforts of home. For added pampering, request Turndown Service.

Expansive windows allow an abundance of natural light and sweeping views of the Las Vegas Strip and the surrounding mountains.

A man and a woman are seated at a table in a modern dining area. The woman is smiling and looking at the man, who is focused on his food. They are both wearing casual attire. The table is set with plates of food, glasses of juice, and a small pitcher. In the background, another person is visible, and the overall atmosphere is warm and inviting.
